

# Marleah Long

Marleah Long is a graphic designer and visual artist currently based in Virginia. She makes work using found and repurposed materials that evoke the feeling of pure delight. Play is at the forefront of her practice.

---

# Miranda E-R

Miranda Elliott-Rader is a puppeteer, mathemagician, and Quaker mystic. She makes art that explores the edges between what can and cannot be recorded.

---

# Theo Baer

Theo Baer is a Brooklyn-based composer. His work is the result of a diverse musical upbringing and a journey towards emotional healing as a black and trans artist. His approach to artistic expression is influenced heavily by an eagerness to adapt and experiment with a variety of genres. iT Boy is Baer's solo electronic project.

---
