Experience

The GOLab at VCUarts

Print & Graphics Lab Associate

January – December '19

Responsible for proficiency in large format printing, risography, vinyl production and bookbinding techniques. Reformatted files to be print ready. Maintained lab and machines within it. Conducted tours and instructed staff and students on use of equipment and materials available to them both in the lab and the greater university.

~~Dreamspace~~

Graphic Designer

August '19 – Present

Practicum with Nicole Killian, a design educator at VCUarts and new media artist. Responsible for collaborating on a speculative future library to be held at VCU. Assisted Nicole through the form of research, concept development, and brand guidelines. Created two dimensional modeling, logotypes, and various collateral including posters, and library cards.

VCU School of Humanities and Sciences

Graphic Design Intern

August – December '19

Responsible for creating collateral for specific school within the VCU community. Work included brochures, flyers, and various assets to promote the department to both faculty and staff.

Studio Two Three

Design / Studio Assistant

May – August '17

Assisted with screen-printing and multidisciplinary studio work such as collaborating with other studio artists, public outreach, maintaining facilities and community vision of Studio Two Three. Various print and design work used for promoting the studio's annual fundraiser Silver Factory.
